The Narberth Civic Association

Another Chance to Take Out Building and Loan Shares

The blotters sent out by the Narberth Building and Loan Association seemed to remind a number of our residents that the Twenty-ninth Series would open on March 4, and on that evening twelve hundred shares were issued in the new series, which was the largest number of shares that has ever been sold on the opening night.

To those who did not avail themselves of the opportunity to take shares in this new series, another chance is offered, as at the next meeting, to be held April 1 at the Fire House, from 7 till 9, new shares can be taken out in the Twenty-ninth Series by paying March and April dues, or \$2 a share.

Owing to the great number of real estate transactions taking place at this time, all the Building and Loan Associations have about loaned out their available funds and premiums, and commissions are paid in some cases in order to place mortgages on properties that are being purchased.

The Narberth Building and Loan Association has about all of its available funds loaned on first and second mortgages on high-grade real estate, a large number representing homes being paid for on the Building and Loan plan in the borough of Narberth.

It is not generally understood that payments can be made at any meeting to reduce the amount of your Building and Loan mortgage so that interest charges will be greatly reduced, and it is earnestly brought to your attention that should you have any available funds whereby you could reduce the amount of your Building and Loan mortgage by making a partial payment, it would not only be of benefit to you by reducing your interest charges, but would be an immense benefit to the community by increasing the funds that the Narberth Building and Loan Association would have to loan out on new mortgages, applications for which are being presented at each meeting of the Association.

It is hoped that the April meeting will see the number of shares in the new Twenty-ninth Series reach the two thousand mark, which, together with the payments on account of present mortgages, should give the Association funds to take care of all the business in the borough.

Don't forget Thursday evening, April 1st, 7 till 9, at the Fire House.

PALACE THEATRE, ARDMORE.

Program week March 29, 1920: Monday, MacLean & May in "Mary's Ankle"; Tuesday, House Peters in "You Never Know Your Luck"; Wednesday, her latest and best picture, Norma Talmadge in "She Loves and Lies"; Thursday, all-star cast with Crawford Kent in "Other Men's Shoes"; Friday and Saturday, Mabel Normand in "Mickey." Admission, 22 cents to all.

Community Club Notes

The Women's Community Club held its meeting Tuesday, March 23, in the Y. M. C. A. The program, as always, was most interesting.

Mrs. E. Muschamp gave a fine detailed report of the recent meeting of Federated Women's Clubs at Norwood, and all parents who enjoyed this report could not help but realize how important a subject "Education" was. Sending our children to school being only a beginning, the home and surroundings having just as important a part in child life.

The club chorus, under the able direction of Mrs. Lane, rendered two selections most beautifully. Surely our club can be justly proud of its chorus.

Mrs. George Bean, the afternoon's able speaker, spoke on current events and Turkey, which was most interesting. Mrs. Bean touched on the terrible plight of the Armenians and at the close of the meeting a collection was taken for the Near East Relief Fund, which is in charge of Mrs. E. C. Towne, who has been appointed by the members to act as custodian of these funds. If any members not present would care to give a donation for this most worthy object, Mrs. Towne will be glad to have it sent to her.

At the close of the meeting refreshments were served by members of the Hospitality Committee.

The Women's Auxiliary Narberth Y. M. C. A.

The regular monthly meeting will be held on Monday, April 5th, at 8 o'clock promptly. All members and friends invited.

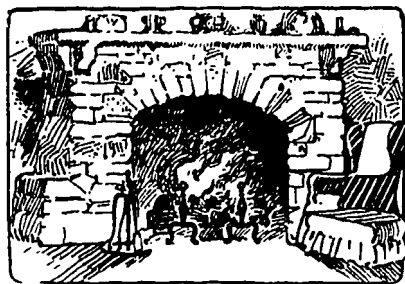

Rummage.

We are glad to acknowledge receipt of a number of boxes of rummage from our friends and are prepared to send at any time for additional contributions on receipt of phone calls, No. 1611 W. 623 R, or 1649 W.

Sale of Flavoring Extract.

We have a supply of flavoring extracts, vanilla, lemon, and orange, which we offer for sale at thirty-five cents per two ounce bottle. This extract is manufactured by the Purity Products Co., is non-alcoholic and has been highly recommended by those of our members who have already used it. All members of the Auxiliary will be prepared to supply you, or if you use any of the phone calls specified above for rummage, we will be glad to serve you at once.

Time to look up those garden tools.

THE FIRESIDE

The robins are here.

Mr. George I. Smith has returned to Narberth.

The eight hundred and twenty boxes in our post office are not sufficient to supply the demand.

Remember the Community Club Card Party on Saturday evening, April 10th, one of the biggest events of the season.

Mr. and Mrs. Edward S. Haws have returned from a trip to Saint Peters, burg, Tampa and other points along the Gulf coast of Florida.

A new house in Narbrook Park and a new daughter, Nancy Jane, are two of the joys of springtime to Mr. and Mrs. J. B. Mackenzie.

His name is George Marvel Floyd and he came to the home of Mr. and Mrs. George Floyd, 112 Dudley avenue, Thursday, March 18th. Congratulations are in order.

Attention is particularly called to the Holy Week services appearing elsewhere in this issue. Each day's services should be studied as detailed daily services are given in the notice.

\$3.00 per year is the cost to you in being a sustaining member of the Narberth Fire Company.

At a gathering at the home of Geo. M. Dando and wife, last Wednesday evening, the engagement of their daughter, Ida May, to Dr. S. A. Beddall, of Philadelphia, was announced.

Mrs. C. G. Hatch, wife of Lieut. Col. C. G. Hatch, of Montgomery avenue, Narberth, and daughter, Miss Elizabeth Hatch, have gone to Atlantic City, and are stopping at the Chalfonte, where they expect to remain ten days.

Richard Mark Cabrey is one of the newcomers to Narberth, arriving in town this week from the Jefferson Hospital, where he made his first appearance on March 10, 1920. Mother and baby are doing exceedingly well.

Have you renewed your membership in the Narberth Civic Association? Cost of a year's membership is \$1.00.

The Women's Community Club will give a card party on April 10, at 8 P. M., in Elm Hall, which promises to surpass all their previous efforts in this direction. There will be tables for "bridge" and "500," with many beautiful prizes. All who want a good time should get tickets early from Mrs. Harry A. Jacobs, chairman of Hospitality Committee.

Mr. and Mrs. Louis Brown, of Woodside avenue, Narberth, entertained their bridge club. The following members were present: Mr. and Mrs. Clarence Singleton Tay, Mr. and Mrs. Clement McCrea, Mr. and Mrs. Clarence Gallagher, Mr. and Mrs. S. C. Randolph, 2nd, Miss Linda Kirk and Miss Marguerite Kirk.

Mrs. Harry Hartley, of Narberth, entertained at cards Monday afternoon. The following guests were present: Mrs. Fred J. Warner, Mrs. William Glose, Mrs. Edwin C. Towne, Mrs. Harold Green, Mrs. G. B. Sefton, Mrs. Raymond Jones, Mrs. Hunter McDowell, Mrs. Thornton Grugan, Mrs. Horace Moore, Mrs. Samuel T. Atherholt and Mrs. R. G. Hunt, of Haddonfield, N. J.

Have you read "The Object of the Narberth Civic Association." It is printed from time to time in the columns of this paper, and should be read—and read again.

Mrs. Clarence Singleton Tay, of Essex avenue, Narberth, entertained her sewing club last Tuesday afternoon. The following members were present: Mrs. Robert Ross, Mrs. B. Brooke, Mrs. Herbert Cross, Mrs. Roland Alexander, Mrs. Robert Brown, Mrs. George Dannenhue, Mrs. Harold Miner, Mrs. Anthony Felix, Mrs. Herbert Cross and Mrs. J. B. Radcliffe.

SCHOOL NOTES

"Without halting, without rest,
Lifting better up to best."

High School Inspector G. C. L. Riemer spent Wednesday in our schools. He was particularly in sympathy with the type of school control, or pupils' self-control, and the general school spirit. The professional attitude of the faculty was also pointed out.

This is the first visit Mr. Riemer has paid our schools. Professors Koch and Deimer, who for some years have been our inspectors, have been assigned to other departments of our State educational organization.

Prof. Riemer's address to the student body presented five objectives of the school:

1. Healthy living.
2. Making a living.
3. Leisure.
4. Worthy membership in the community.
5. Character.

The Sophomore and Freshmen boys who have had so many exciting athletic contests found themselves hotly contesting the championship at debating on Friday in the Senior Literary Society. Ask the boys who won.

Baseball weather has gotten the mustiness off of gloves and balls. Watch for the schedule of games.

The Girls' Basketball Team was defeated last Friday at Ambler by score of 30 to 12.

The Women's Community Club Expects to Build

During the next five or six weeks the Women's Community Club of Narberth purposes to hold a big bazaar at Elm Hall. This will be the opening gun in the campaign to finance the building of a club house. The dates on which the bazaar is to be held will be announced shortly. Just where the club house shall be built is as yet undetermined, but there are one or more available sites now in view. The idea is to issue non-interest bearing bonds of low denominations to be paid for in cash or on instalments. A sinking fund will be provided for the gradual retirement of the bonds. Sources of income will be initiation fees, dues, card parties, dances, rental of hall, etc. Membership in the club will be confined to those of the gentler sex, but occasionally mere man will be permitted to enter its sacred portals and partake of a good square meal, while his wife is away in the country. The columns of Our Town will keep our readers in touch with further developments.

PLAN EASTER DANCE.

Bryn Mawr Hospital Affair on the 15th of April.

An Easter dance for the benefit of the Social Service Department of the Bryn Mawr Hospital will be given on April 15 at the Merion Cricket Club. The committee in charge includes Miss Margaretta Harrison, Miss Eleanor Robb, Miss Anne Ashton, Miss Ruth Packard, Miss Mary Thayer, Miss Virginia Heckscher and Miss Edith Newlin.

Two million dollars before commencement is the goal set by the committee in charge of the Bryn Mawr endowment campaign, which started Monday. The entire amount raised will be used to increase the salaries of the teaching staff of Bryn Mawr College.

Narberth to Have New Tennis Courts and Club House

THE TENNIS ASSOCIATION APPROVES PLAN FOR ATHLETIC DEVELOPMENT THAT WILL BE A CREDIT TO OUR BOROUGH—WILL BE READY FOR PLAYING AT BEGINNING OF 1921 SEASON.

Narberth is to have a new community feature that will realize what has long been the dream of everyone in our borough who is interested in sports.

The Narberth Tennis Association, at the annual meeting held last Friday evening in the gymnasium of the Y. M. C. A., unanimously approved a comprehensive plan providing for the acquisition of a tract of land comprising two acres, the building thereon of ten tennis courts and the erection of an attractive club house. And all of this is to be within the borough limits, so it will be a distinctly Narberth institution.

Credit for the development of this new plan belongs to the special committee of the Association which has been working on the matter for several weeks past. This committee was composed of W. R. D. Hall, chairman, C. L. Warwick, Walter Cowin, Carl B. Metzger, A. T. Grugan and A. J. Newell.

The site of the new tennis grounds and club house is what is known as the Odell Property, and is located near the intersection of Haverford Avenue and Montgomery Avenue, in the borough limits. The present owners of the property, Messrs. Fletcher W. Stites, Augustus J. Loos and Charles E. Hires, have agreed to the plan perfected by the special committee of the Tennis Association, and work on the construction of the courts will begin this summer.

The ground on which the Association's present courts are located was sold a few weeks ago, but the Association has secured a lease on the ground which will permit playing there throughout the season of 1920.

The plan for the development of the new home of the Tennis Association provides for seven courts being finished and ready for use at the beginning of next season, that is, spring and summer of 1921, and the development of the club house to the point where it will provide dressing-rooms, lockers and showers also in time for use next spring. The construction of the three

"Towering O'er the Wrecks of Time" is the Cross

Roger Babson, the famous statistician, in a recent speech at the City Club in Philadelphia on the present financial status said that not balances of trade, nor per capita circulations, nor exports and imports, nor bank deposits, etc., was the world's greatest need, but RELIGION.

The Cross of Calvary is the heart of real religion. That is why YOU—whoever you are, professing Christian or not, connected with any church or not, are invited to the

HOLY WEEK SERVICES AT THE NARBERTH PRESBYTERIAN CHURCH

NARBERTH TO HAVE NEW TENNIS COURTS AND CLUB HOUSE.

(Continued from Page 1.)

additional courts and the completion of the club house will be carried forward as rapidly as possible.

At the present time there is on the new site a wooden and sheet-iron story-and-a-half barn, approximately 80 x 30 feet, built on a substantial stone foundation. The plan drawn up by the special committee and approved by the Association members provides for the remaking of this structure into a modern club house containing, in addition to the locker-rooms and showers for men and women, bowling-alleys, billiard and pool room and a dance floor. There are a number of fine old trees on the tract of land, only a few of which will have to be sacrificed in the building of the courts, leaving a sufficient number of these trees to enhance the attractiveness of the property and afford shade around the club house verandas.

In recommending the plan the committee stated that they found the owners of the new land, Messrs. Stites, Loos and Hires, decidedly receptive and friendly towards the Association and glad to have the opportunity offered them of assisting the Tennis Association in securing a permanent home.

After approving the special committee's plan, the Association adopted a number of necessary amendments to the constitution and by-laws of the Association. Under one of these amendments there was created a Board of Trustees of five members, and this board will have entire control of the financial arrangements for the acquisition of the new property and development of the same, and is empowered to appoint from time to time, and for such periods as they may deem necessary, such special committees as may be needed. The Board of Trustees shall be responsible to the membership of the Association. The following members were elected trustees: W. R. D. Hall and C. L. Warwick, for terms

of five years each; Albert G. Stephenson and F. M. Justice, for terms of four years each; Walter Y. Shaw, for a term of three years.

The reorganization of the Tennis Association and the creation of the Board of Trustees does not in any way affect the present plan of government of the Association. The president, vice-president, secretary and treasurer and Board of Government will continue to have entire charge of the management of the Association, the maintenance of courts and club house, the control of playing-courts and grounds, the making of rules and the appointment or election of the regular standing committees. In other words, the function of the Board of Trustees will be exclusively the working out and the execution of the necessary financial plans and the development of the new project up to the point where it is ready to be turned over to the Association.

The Association decided to increase its membership for the coming season of 1920 from 60 to 80 and to increase the annual dues for membership from \$10 to \$15. With the completion and opening of the seven new courts the membership will be increased to 125 and the annual dues will be increased to \$20. In voting to increase the membership from 60 to 80 for the present season, the meeting heartily approved the following recommendation made by the special committee:

"Relative to the recommended increase in membership, your committee is well aware that this may cause congestion of the court space available during the 1920 playing season and will necessitate an exercise of self-denial on the part of members should the full limit of playing members be reached. However, your committee finds that such a number of members will be required in order to finance properly the proposed acquisition of the new grounds, and feels justified in urging all playing members to sacrifice temporarily, if necessary, during this year, some of their enjoyment of the courts, to the end that all may enjoy the benefits thereof in the future."

The new tennis grounds and club house will be financed through the sale of Participating Ownership Certificates, which will be issued in denominations of \$50 and which may be purchased on the instalment plan, after the same manner in which the various issues of Liberty Bonds were sold. There will be two different types of these certificates. The first year it is planned to issue at least forty non-interest-bearing \$50 certificates, which it is expected will be taken by the members of the Association, and at least forty 6 per cent. interest-bearing certificates, which may be purchased by anyone—in or out of the Association—who is looking for a good investment or who feels that they would like to co-operate with the Tennis Association in the development of the new grounds and club. Payment for these certificates may be made as follows: \$5 per month per \$50 certificate during April, May, June and July, and \$6 per month during August, September, October, November and December of this year. Additional Participating Ownership Certificates will be issued during 1921 and 1922.

In investigating possible sites or in preparing and perfecting the plan which was adopted, the special committee, aided by Chairman Hall, spent many hours in meetings, interviews and conferences, and at the meeting, Friday evening, a resolution of thanks

to the committee was unanimously adopted.

The meeting also elected the following officers for the ensuing year: President, A. J. Newell; vice-president, Robert E. Pattison, Jr.; treasurer, Arthur G. Staples; secretary, Jesse Harris; Board of Government, Perry Redifer, Sr., E. A. Muschamp and A. T. Grugan.

Why Blankets and Comforts Need Washing Now

Our ideas about many familiar things develop as we move along. If blankets and comforts were washed once a twelve-month a century ago, our forefathers thought it was sufficient.

Now we know that these bedclothes become soiled, even if to the eye they may seem sanitary enough.

If you would have your blankets and comforts as spotless and immaculate as your other bed linen, send them to us. We employ a special method of laundering that makes them light and fresh, that gives them a wonderful fluffiness.

Our method of drying frees blankets and comforts from every impurity—gives to them the feel and look that nature bestows when they are dried in the sunshine on a summer's day.

Send us such of your comforts and blankets as you can spare the next time our representative calls for your family washing. Or, telephone, and we will have our man stop in when next he visits your neighborhood.

Are there any short cuts?

WE are asking for adequate rates. That the revenue derived from the pre-war rates now in effect does not measure up to the high costs of 1920 is very plain.

"But," you ask, "how about those important improvements and discoveries that have come about during the last few years—'automatic' telephones, circuits over which several long distance conversations may be held simultaneously, and so on? Aren't there some short cuts you can make at this time towards bringing about a fair balance of income and outgo?"

Unfortunately, no! For while we are planning all of these things as rapidly as possible, not for several years can they be placed in general widespread use.

Take "automatic" telephones as an example. Building interiors must be changed, entire central office equipments must be replaced, likewise telephone instruments—and altogether it will take years of time and millions of dollars.

We have already adopted every present possibility for economy and efficiency in the conduct of the business.

Today it is a question of securing sufficient revenue to meet present costs. That is all that is asked.
